The screenshot shows the TeamViewer website's download page for Windows. The navigation bar includes 'Support', 'Company', 'Contact Sales', 'Sign in', and a phone number '+44 20 8099 7265'. The main heading is 'Download the latest version of TeamViewer for Windows'. Below the heading, it states 'By installing and using TeamViewer, you accept our [Terms & Conditions](#) and our [Privacy Policy](#).' There are seven operating system icons: Windows (highlighted in blue), macOS, Linux, ChromeOS, Raspberry Pi, Android, and iOS. Below the icons, it says 'Current version: 15.463.0' and 'See previous versions'. At the bottom, there is a section for 'TeamViewer QuickSupport' with two buttons: 'Download (64-bit)' and 'Download (32-bit)'. A red arrow points from the Windows icon to the 'Download (64-bit)' button.
